Pajamas Media Welcomes Ronald Radosh as Its Newest Xpress Blogger

LOS ANGELES (October 22, 2008) - Pajamas Media (www.pajamasmedia.com), an online media company providing news coverage, analysis and political opinion, welcomed Ron Radosh to its growing line up of PajamasXpress bloggers. Radosh now has a permanent space at Pajamas Media (<http://pajamasmedia.com/ronradosh/>) where readers can view his recent web postings on a range of issues and post comments. Radosh's first posting is titled "The Real Threat Posed by Bill Ayers."

"We are pleased to have Ron Radosh on board with Pajamas Media; his reputation as a distinguished writer and thinker precedes him. Ron's unique political background and style is sure to capture the attention of current Pajamas Media readers and new visitors alike," said Roger L. Simon, CEO and Co-founder of Pajamas Media. The Pajamas Media network garnered 62.4 million page views in September 2008 and now includes an Internet TV component, Pajamas TV (www.pjtv.com).

"For a long time, I've been thinking about blogging. I regularly follow all the major opinion journals from Left to Right, and have a good handle on how people of all points of view see the world we live in. I find that I am able to separate the wheat from the chaff, and that which is accurate from that which is completely erroneous," said Radosh.

"I am proud to join Pajamas Media, which has given me this opportunity to make my views and analysis public. PJM is a media company that is focused on new ideas and that is continually growing in prestige and popularity. I am honored that its editors believe that I will be a fitting addition to its already stellar group of writers and bloggers. I will do my best to fulfill PJM's tradition of fine writing," Radosh concluded.

Radosh is an Adjunct Senior Fellow at the Hudson Institute and a Professor Emeritus of History at the City University of New York. He is the author or co-author of 14 books, including *The Rosenberg File* (1983 and 1997), *Commies: A Journey through the Old Left, the New Left and the Leftover Left* (2001) and *Red Star Over Hollywood: The Film Colony's Long Romance with the Left* (2006). He has contributed to a range of publications from *The New Republic* and the *Weekly Standard* to the *Los Angeles Times* and *World Affairs Journal*.

Pajamas Media is committed to presenting a wide spectrum of news and political opinion. The site includes 14 distinguished PajamasXpress bloggers and a host of other contributors ranging from "Instapundit" Glenn Reynolds to former Senator Fred Thompson.
